Golf Course Maintenance Internship

Bidermann Golf Course

Private 18-Hole Dick Wilson designed club in Wilmington, DE. Opened for play in 1965 and average 8,000 annual rounds. Native push-up greens, fumigated in 2006 and seeded to A1-A4 bentgrass. Fairways and tees are bent/ Poa. Green-side bunkers rebuilt in 2006 by McDonald & Sons. The golf course is located on the grounds, but not affiliated with, the Winterthur Museum and Country Estate.

Internship will include:

- Pesticide and fertilizer applications
- Course set-up and hand watering of greens and tees
- Irrigation, drainage repair and various mowing activities
- Interns will have opportunity to lead small teams throughout various projects

$11 per hour plus overtime
Housing Provided 5 miles from Golf Course
Uniforms and Lunch Provided
