

The Country Club of Waterbury

Position Opening Student Intern

- Course:** The Country Club of Waterbury
Waterbury, CT
- Course Info:** The Country Club of Waterbury was established in 1899 and designed by the famed Donald Ross. All of the bunkers have been reclaimed to their original design, a new Toro irrigation system was completed in 2005, and a number of the tee's have been added to lengthen the golf course.
- Duties:** Qualified candidates will assist the Superintendent and Assistants in all facets of golf course maintenance, including, but not limited to, daily course set up, irrigation scheduling, fertilizer and pesticide calibration and application, aerating, seeding, sodding, syringing, and managing crews on small projects.
- Qualifications:** Intern should be enrolled in a reputable turf program
- Salary/Benefits:** \$10.00/hour. On-site housing, meals, uniforms, scholarship money available, and golfing privileges.
- Send Resume To:** John Merritt, Asst. Supt.
