

Assistant Field Superintendent – Job Description  
Gillette Stadium  
February 2008

General Job Description:

Assistant Field Superintendent (AFS) is responsible for overall performance, safety, maintenance and appearance of athletic fields for Gillette Stadium in all seasons. In conjunction with the Field Superintendent (FS), AFS will design, implement and document the practices and procedures to achieve the above stated objective. AFS will rely on his experience and judgment coupled with the insight and experience from FS, Gillette Stadium's Consulting Agronomist and organizational personnel including management, football operations and soccer operations to plan and accomplish goals. This position reports directly to the FS but will take direction from the Vice President of Operations in certain defined circumstances.

Specific Areas of Responsibility:

- Staffing
- Turf Maintenance and Preparation
- Game Field Preparation
- Snow Removal
- Budget and Asset Management

The responsibilities and requirements of this position are subject to change with proper notice from FS.
