Comments: Kernwood Country Club is a 1914 Donald Ross design and has just recently hosted the 2007 Mass Open. Interns will experience all facets of golf course maintenance. These include course set-up, irrigation, crew management, fertilizer/pesticide applications, and hand watering on weekends. We are looking for motivated person who shows pride in his/her work and enjoys working on a golf course. We have an outstanding crew that will be willing to accept a hard working part of the team.
