Wee Burn Country Club

Internship Position Available

Course Information:
Wee Burn Country Club is an 18 hole, Deverau Emmet designed, private country club located in Darien, CT. Recent Master Plan Restoration work included the construction of a new 17,000 square foot, state-of-the-art maintenance facility, complete bunker renovation and tee construction. All Master Plan Restoration work was designed by Tom Marzolf of Fazio Golf Course Designers. Currently we are in the planning and budgeting process for a new irrigation system.

Intern Duties:
Interns will be involved in all facets of daily golf course operation. These duties will include but not be limited to mowing, hand watering and the application of both chemicals and fertilizers. Interns will obtain experience in managing small groups to accomplish given projects. They will also be exposed to Operation Budget Planning as well as short and long term Master Plan Restoration Budgeting.

Compensation:
Interns will be provided with on-site housing, meals, uniforms and golfing privileges. The rate of pay for this position is between $10.00 and $12.00 an hour, depending on experience.
