

Eastern Land Management

SUMMER INTERNSHIP

Eastern Land Management is one of the Northeast region's largest, family-owned, full-service landscape management contractors. With more than 30 years of service to commercial and high-end residential clients, our growth is achieved through efficient and professional customer service.

As an intern, you will be afforded an opportunity to assist with the daily operations of a full-service landscape company. These duties will include assisting with mowing, edging, weeding, pruning trees and shrubs, planting annual beds/trees and shrubs, installation of hardscapes, pest identification and management, irrigation management, safe operation of turf equipment, and fertilizer and pesticide applications (appropriate CT DEP license required). Interns will also be given the opportunity to shadow a manager and observe estimating procedures and customer relations skills.

Successful applicants should be prepared to work in a team-oriented environment, possess a valid driver's license, and be enrolled in a landscape management, ornamental horticulture, or a related college program.

Starting salary is \$ 12.00 per hour, with overtime paid after 40 hours. Uniforms are provided.
