

University of Connecticut

J.E. Kaminski, Assistant Professor of Turfgrass Pathology

Curriculum Vitae
31 January 2007

Curriculum Vitae

Name: John E. Kaminski

Address: University of Connecticut
1376 Storrs Road, U-4067
Storrs, CT 06269

Education:

The University of Maryland, Ph.D. Natural Resource Sciences, 2004
The University of Maryland, M.S. Agronomy, 2001
The Pennsylvania State University, B.S. Turfgrass Science, 1998
The Pennsylvania State University, B.S. Landscape Contracting, 1998

Employment:

Assistant Professor, University of Connecticut, January 2005-present
Graduate Research Assistant, University of Maryland, August 1998-December 2004
Student Intern, Penn State University Turf Research Facility, April-August 1998
Student Intern, Congressional Country Club, Bethesda, MD, U.S. Open, May-September 1997
Student Intern, Desert Mountain Properties, Scottsdale, AZ, The Tradition, February-August 1996

Teaching:

M.S. Advisees:

Alex Putman. 2006-2008. "Impact of Nozzle-Type, Application Timing, and Fungicide Resistance on Dollar Spot Control."

Grants:

United States Golf Association Green Section Turfgrass and Environmental Research Grant. 2001-2003. "Growth and Pathogenicity of *Ophiosphaerella agrostis* and Epidemiology of Bentgrass Dead Spot, a New Pathogen and Disease of Creeping Bentgrass." Co-Principle Investigator. Funding = \$87,000.

New England Regional Turfgrass Foundation. 2005. Establishment of the UConn Turfgrass Disease Diagnostic Center. Funding = \$25,000.

Syngenta Professional Products Grant-In-Aid. 2005. Dollar Spot Severity as Influenced by Nozzle Type and Fungicide Mode of Activity. Principle Investigator. Funding = \$10,000.

University of Connecticut Research Foundation. 2005-2006. "Biology of *Sclerotinia homoeocarpa* and alternative control strategies for dollar spot." Principle Investigator. Funding = \$14,000.

United States Department of Agriculture. 2005-2006. "Northeast Regional Plant Diagnostic Facility". Principle Investigator. Funding = \$23,600.

United States Department of Agriculture. 2005-2006. "First Detector Training and Detection of *Phytophthora ramorum*". Principle Investigator. Funding = \$3,500.

NE-1025 MultiState Regional Hatch Project. 2005-2006. "Biology, Ecology, and Management of Emerging Pests of Annual Bluegrass on Golf Courses". Principle Investigator. Funding = \$20,063.

United States Golf Association Grant-In-Aid. 2005-2006. Dollar Spot Severity as Influenced by Nozzle Type and Fungicide Mode of Activity. Funding = \$6,000.

New England Regional Turfgrass Foundation. 2006-2009. "Impact of Nozzle-Type, Application Timing, and Fungicide Resistance on Dollar Spot Control." Funding = \$57,569.

United States Department of Agriculture. 2006-2007. "Northeast Regional Plant Diagnostic Facility". Principle Investigator. Funding = \$34,700.

Golf Course Superintendents Association of America. 2007-2009. "Influence of phosphonate products and wetting agents on algae control". Principal Investigator. Funding pending = \$40,000.

Honors and Awards:

Musser International Turfgrass Foundation's Award of Excellence, 2005.

Northeastern American Phytopathological Society Student Paper Award 1st Place, 2004

Northeastern Weed Science Society Photo Contest 2nd Place, 2004

Crop Science Society of America C-5 Poster Contest Industry Relations Committee Award 1st Place, 2003

R.F. Davis Memorial Scholarship, 2003

Southern Nursery Association Sidney B. Meadows Scholarship, 2003

United States Golf Association Mid-Atlantic Green Section Internship, 2003

College of Agriculture and Natural Resources Outstanding Graduate Student, 2003

Department of Natural Resource Sciences and Landscape Architecture Outstanding Graduate Student, 2003

Golf Course Superintendents Association of America Watson Fellowship, 2002

Maryland State Senatorial Scholarship, 2002-2003

Sigma Xi Scientific Research Society, 2002

Golden Key National Honor Society, 1998

Pi Alpha Xi Horticulture Honor Society, 1998

Pennsylvania Turfgrass Council Scholarship, 1998

Pennsylvania State University College of Agriculture Alumni Scholarship, 1997

Brickman Group, Ltd. Scholarship, 1997
Pennsylvania State University Deans List (1995-1998)

Professional Societies and Other Memberships:

American Phytopathological Society
- 2007 Turfgrass Symposium Organizer
- 2003-2007 APS Turfgrass Research Group Committee
- 2005-2006 APS Turfgrass Research Group Chair Elect
Crop Science Society of America
American Society of Agronomy
Soil Science Society of America
Northeastern Weed Science Society
Golf Course Superintendents Association of America
Maryland Turfgrass Council
Pennsylvania Turfgrass Council
United States Golf Association
Tau Kappa Epsilon National Fraternity, President 1997

Sections in Books

Kaminski, J.E. 2004. Bentgrass Dead Spot, p. 597-598. *In*: L.B. McCarty. Best Golf Course Management Practices. 2nd ed. Prentice Hall, Upper Saddle River, NJ.

Editor/Reviewer

Associate Editor. 2006-2009. Applied Journal of Turfgrass Science.

Kaminski, J.E (Ed.). 2005. 2005 Turfgrass Research Report. University of Connecticut, Storrs.

- Kaminski, J.E., and M.G. Keneally. 2007. Preventive control of anthracnose basal rot on an annual bluegrass putting green, 2006. Plant Disease Management Reports 62: Submitted.
- Kaminski, J.E., and A.I. Putman. 2007. Preventive control of brown patch with various fungicides, 2006. Plant Disease Management Reports 61:Submitted.
- Kaminski, J.E., and A.I. Putman. 2007. Early season dollar spot suppression with a single application of various fungicides, 2006. Plant Disease Management Reports 61:Submitted.
- Kaminski, J.E., and A.I. Putman. 2007. Preventive control of dollar spot with Cleary and Syngenta fungicides and Primo MAXX, 2006. Plant Disease Management Reports 61:Submitted.
- Kaminski, J.E., and A.I. Putman. 2007. Early curative dollar spot suppression with various fungicides and plant defense activators, 2006. Plant Disease Management Reports 61:Submitted.

Kaminski, J.E., and A.I. Putman. 2007. Preventive control of dollar spot with BASF, Lesco, and Syngenta fungicides, 2006. Plant Disease Management Reports 61:Submitted.

Kaminski, J.E. 2007. Preventive control of algae on a creeping bentgrass and annual bluegrass putting green. Plant Disease Management Reports 61:Submitted.

Kaminski, J.E. 2007. Curative control of yellow tuft with various fungicides. Plant Disease Management Reports 61:Submitted.

Invited Professional Presentations:

IXth International Turfgrass Research Conference. Toronto, Ontario, July 2001. “Biological aspects of *Ophiosphaerella agrostis* and bentgrass dead spot”.

Rutgers University Annual Turfgrass Management Symposium. New Brunswick, NJ, March 2003. “Geographic distribution, cultivar susceptibility, and field observations on bentgrass dead spot”.

Northeast Weed Science Society of America. Washington, D.C., January 2005. “Seasonal annual bluegrass emergence patterns”.

Connecticut Association of Golf Course Superintendent’s Winter Meeting. Berlin, CT, January 2005. “Disease management: thinking outside the box”.

Massachusetts Annual Lawn Care Seminar. Auburn, MA, January 2005. “Critical component of effective integrated pest management for lawns”.

New England Regional Turfgrass Conference. Providence, RI, March 2005. “IPM and turfgrass disease diagnostics”.

Metropolitan Golf Course Superintendents Association’s Spring Meeting. Bedford Hills, NY, March 2005. “Selected Maladies of Annual Bluegrass”.

Long Island Golf Course Superintendents Association’s Annual Meeting. Long Island, NY, March 2005. “Golf Course Diseases: The Heavy Hitters”.

Interstate Pest Management Conference. Baltimore, MD, April 2005. “Turfgrass Diseases Important to the Mid-Atlantic Region”.

BASF Turfgrass Pathology Symposium. Asheville, NC, September 2005. “Update on Turfgrass Disease Research at UConn.”

Syngenta Turfgrass Pathology Symposium. San Antonio, TX, October 2005. “Impact of Nozzle Type on Dollar Spot Control.”

Rutger’s State University Faculty Seminar Series. New Brunswick, NJ, October 2005. “Biology of *Ophiosphaerella agrostis* and Epidemiology of Bentgrass Dead Spot”.

Harrell's Turf Specialty Annual Meeting. West Boylston, MA, November 2005. "Gray Leaf: Biology, Diagnosis and Management".

Vermont Greenscape Conference and Trade Show. Vermont, November 2005. "Selective Removal of Creeping Bentgrass From Kentucky Bluegrass".

Vermont Greenscape Conference and Trade Show. Vermont, November 2005. "Common Diseases of Lawns and Athletic Fields".

Ohio State Turfgrass Conference. Columbus, OH, December 2005. "New Diseases: Bentgrass Dead Spot".

Ohio State Turfgrass Conference. Columbus, OH, December 2005. "Integrated Disease Management For Sports Fields".

Ohio State Turfgrass Conference. Columbus, OH, December 2005. "Annual Bluegrass Diseases and Fungicide Use Strategies".

Turflinks Annual Turfgrass Conferences. Bolton, MA, January 2006. "Turfgrass Diseases: New England Year In Review".

Golf Course Superintendents Association Golf Industry Show. Atlanta, GA, February 2006. "Microscopic Identification of Turfgrass Diseases."

Landscape Contracting Association's Winter Workshop. Hunt Valley, MD, February 2006. "Common Diseases of Home Lawns".

Ontario Turfgrass Symposium. University of Guelph, Ontario, Canada, February 2006. "Bentgrass Dead Spot Has Arrived".

New York State Turfgrass Association Southeast Regional Turf Conference. Tarrytown, NY, February 2006. "New (and Old) Methods for Managing Dollar Spot."

United States Golf Association's Symposium at the New England Regional Turfgrass Conference. Providence, RI, March 2006. "Dollar spot: New Tricks for an Old Dog".

Turflinks Turfgrass Symposium. Albany, NY, March 2006. "2005: Year in Review".

Turflinks Turfgrass Symposium. Albany, NY, March 2006. "Impact of Early Fungicide Applications and Nozzle-Type on Dollar Spot Control".

BASF People vs. The Pros Education Session. Keynote speaker. Dayton, OH, July 2006. Dollar spot and Anthracnose Update.

BASF People vs. The Pros Education Session. Keynote speaker. East Lansing, MI, July 2006. Dollar spot and Anthracnose Update.

University of Massachusetts Faculty Seminar Series. Amherst, MA, October 2006. Biology of *Ophiosphaerella agrostis* and epidemiology of bentgrass dead spot.

United State Golf Association Live Online Research Meeting. October 2006. Impact of nozzle type and fungicide mode of activity on dollar spot control.

Empire State Golf Industry Show. Rochester, NY, November 2006. Diseases and summer stress: A 2006 Recap.

Harrell's Turf Specialty Annual Meeting. West Boylston, MA, November 2006. Patch diseases: Diagnosis, biology and control.

New Jersey State Turfgrass EXPO. Atlantic City, NJ, December 2006. Major diseases of landscape turf.

New Jersey State Turfgrass EXPO. Atlantic City, NJ, December 2006. Overview of anthracnose and a summary of regional research efforts.

New Jersey State Turfgrass EXPO. Atlantic City, NJ, December 2006. Impact of gallonage, nozzle-type, and pressure on fungicide efficacy: How to improve control and reduce fungicide usage.

Factors Influencing Fungicide Performance Summit. Philadelphia, PA, December 2006. Review of spray nozzle research.

Factors Influencing Fungicide Performance Summit. Philadelphia, PA, December 2006. University of Connecticut (dollar spot) nozzle research.

Turfgrass Symposium of the Northeastern Weed Science Society. Baltimore, MD, January 2007. Selective removal of creeping bentgrass with Kentucky bluegrass with mesotrione.

Northeastern Golf Course Superintendents Association. Schenectady, NY, January 2007. Anthracnose: A five year multi-state research initiative.

Maryland Turfgrass Conference. College Park, MD, January 2007. Overview of nozzle technology for fungicide application.

Maryland Turfgrass Conference. College Park, MD, January 2007. Selective creeping bentgrass control in lawns/sod and sports turf.

Maryland Turfgrass Conference. College Park, MD, January 2007. Proper sampling is key to a proper diagnosis.

Extension Presentations:

Maryland Turfgrass Conference, January 2000. What we know about bentgrass dead spot.

Maryland Turfgrass Field Day, July 2000. Bentgrass dead spot research review.

Maryland Turfgrass Conference, January 2001. Update on bentgrass dead spot research.

Maryland Turfgrass Conference, January 2002. When does *Poa annua* germinate?

Maryland Turfgrass Field Day, July 2002. Creeping bentgrass seedling tolerance to autumn applied herbicides and residual effects on spring overseeding.

Maryland Turfgrass Field Day, July 2002. Update on bentgrass dead spot research.

Maryland Turfgrass Conference, January 2003. Disease diagnosis: understand and use the process.

Maryland Turfgrass Conference, January 2004.

Topics: a) Bentgrass dead spot: The final episode.

b) The role of QoI fungicides in turfgrass disease management.

Connecticut Turf and Landscape Conference. Meriden, CT, February 2005. "Identify and Manage Disease Problems of Lawns".

Connecticut Turf and Landscape Conference. Meriden, CT, February 2005. "Turfgrass Disease Symposium". (1 hour of 6 hour Symposium on Turfgrass Management)

Advanced Master Gardener Class. Coventry, CT, May 2005. "Basic Processes of Plant Disease Identification".

Advanced Master Gardener Class. Coventry, CT, September 2005. "Basic Processes of Plant Disease Identification".

Connecticut Grounds Keepers Fall Meeting. New Haven, CT, September 2005. "Update on Turfgrass Diseases in 2005."

Connecticut Association of Golf Course Superintendent's Winter Meeting. Berlin, CT, January 2006. "Anthracnose: A Five Year Multi-state Initiative".

Connecticut Turf and Landscape Conference. Meriden, CT, February 2006. "Turfgrass Diseases in 2005 and Expectations for 2006".

Vermont Golf Course Superintendent's Association Monthly Meeting. Manchester, VT, June 2006. "Turfgrass 2006: Summary of current disease issues".

Connecticut Association of Golf Course Superintendent's Winter Meeting. Berlin, CT, January 2007. "Update on UConn's new turfgrass website: www.turf.uconn.edu".
